Faceshield holder for safety helmets - 3M FH1

Art.no.: 1200320

The 3M™ faceshield holder provides a simple and efficient way to attach compatible 3M™ visors to safety helmets. Its unique attachment system allows visor changes in seconds, improving flexibility and productivity on the job.

The 3M™ faceshield holder is designed to connect a wide range of 3M™ visors to 3M™ safety helmets. Featuring a unique and user-friendly attachment system, it enables quick visor replacement whenever work requirements change. The holder can be used with or without helmet-mounted 3M™ hearing protection, offering a cost-effective way to enhance the versatility of existing 3M™ head protection equipment.

Features:

- Connects compatible 3M™ visors to 3M™ safety helmets
- Quick and easy visor replacement
- User-friendly design
- Compatible with or without helmet-mounted 3M™ hearing protection
- Cost-effective enhancement of existing head protection systems
