Primer - Jotun Pilot QD Primer Red – 5L

Art.no.: 0515293

Jotun Pilot QD Primer is a fast-drying, single-component alkyd primer enriched with zinc phosphate for superior corrosion protection. It provides excellent adhesion and forms a hard, dry film within 1.5 hours, reducing downtime and enabling quick handling. Suitable for steel and aluminum surfaces above the waterline in moderate, non-aggressive environments – for both interior and exterior use.

Pilot QD Primer from Jotun is a single-pack alkyd primer with zinc phosphate for enhanced corrosion resistance. Designed for steel and aluminum above the waterline, it dries quickly and offers strong adhesion. Ideal for moderate environments, this cost-effective primer ensures easy application and reliable protection. Supplied in a 5-liter container.
