Inflatable lifejacket - Crewfit 150N

Art.no.: 0816254

The Crewfit 150N is a lightweight and ergonomic lifejacket with integrated safety harness, designed for professional marine use. Featuring automatic inflation, EXOLOK cylinder security, and superior comfort, it ensures safety and freedom of movement.

Crewfit 150N is an inflatable lifejacket ideal for workers at sea. Its low-profile design and short gas cylinder allow maximum mobility. The ergonomic fit and intuitive waist adjustment provide all-day comfort. In case of water entry, the UML Auto MK 5 activates automatically, while the integrated chin support and dual crotch straps ensure optimal flotation and airway clearance. The EXOLOK system offers visual confirmation of cylinder security. Certified to ISO standards, the vest includes a lifting strap, whistle, Solas reflectors, and stainless steel D-ring.
