

LanoPro De-Wipes

Art.no.: 0543492

De-Wipes kills 99.99% of bacteria, viruses, spores, moles and allergens on hands and surfaces

After wiping the surface with De-Wipe, a positively charged membrane remains that prevents adhering microorganisms from reproducing.

De-Wipes can be used on most surfaces such as plastic, wood, steel and glass. De-Wipes is water based, not corrosive, does not contain perfume and has a mild scent.

De-Wipes can be used in healthcare, cleaning, housekeeping and any other place where quick, safe and efficient disinfection is needed and where good hygiene is important.

The long-lasting disinfectant is effective for up to 14 days.
