Offshorebag, black

Art.no.: 1016056

Durable offshore bag made from robust PVC, featuring carry handles, a shoulder strap, and an internal ID card pocket. Ideal for transporting and storing workwear, PPE, and personal equipment.

This offshore bag is designed for demanding work environments and everyday use. Its durable PVC construction offers excellent resistance to wear and tear, making it suitable for offshore operations, industrial sites, construction projects, and general work applications.

The bag includes carry handles and a shoulder strap for convenient transportation, while the internal ID card pocket allows easy identification. The spacious design provides ample room for workwear, safety equipment, and other essential gear.

Length	60.0 cm
