

# Vizor – 3M V4F

Art.no.: 1200348

3M clear visor for use with 3M safety helmets.

Face shields provides effective splash protection from the front and side, while the forehead shield and the angle of the visor minimise reflections that causes unwanted glare.

- Face shields are designed to fit 3M Hard Hats
- The visor meets the requirement for low energy impact protective shields
- Temperature range: -40° C to +100°C
