Safety glasses, clear, mirror - 3M SecureFit 410

Art.no.: 1200547

The 3M SecureFit 410 safety glasses feature a mirror lens, lightweight design, and innovative Pressure Diffusion Temple Technology for outstanding comfort and reliable eye protection. Ideal for industrial, construction, maintenance, and manufacturing environments.

The 3M™ SecureFit™ 410 safety glasses are designed to provide dependable eye protection with enhanced comfort throughout the workday. Weighing only 19 grams, these glasses feature 3M Pressure Diffusion Temple Technology, which evenly distributes pressure across the head to create a secure and comfortable fit.

The rimless polycarbonate mirror lens delivers a wide field of vision while protecting against impact and airborne particles. Soft, adjustable nose pads help prevent slipping during movement, while the wide, flexible temples provide excellent side protection and integrate comfortably with hearing protection equipment.

The scratch-resistant lens coating improves durability, making these safety glasses suitable for general manufacturing, construction, maintenance, repair operations, assembly work, and food production environments.

Color	Green, Black
Weight	19 g
Material	Plastic
Lens Colour	Mirror
Lens Material	Polycarbonate
Lens Coating	Anti-scratch
Model	410
Brand	SecureFit™
HS code	90049000
COO	TWN
Sales unit:	PCS
Master packaging (pcs)	20
