

Ear plugs – 3M ear classic, 250 pairs

Art.no.: 1212108

The 3M™ E-A-R™ Classic™ earplugs are for single use and are designed for insertion into the ear canal to reduce exposure to hazardous levels of noise and loud sounds up to 31 dB SNR. These products are available in versions with and without a cord.

- The earplugs are tested according to EN3522:2020 and reduce noise levels by up to 31dB (with or without cord).
- Soft energyabsorbing foam provides low equilibrium pressure, making them one of 3M's most comfortable earplugs.
- Moistureresistant, reducing the likelihood of swelling from moisture absorption.
