

Sundström SR217 A1, 5 pcs

Art.no.: 1218368

Gas filter for Sundström SR 100 half-mask and SR 200 full-mask.

Gas filter SR 217 Class 1 is designed for use with Sundström half-masks and full-masks. The filter is type A and provides protection against organic gases and vapors, such as solvents, with a boiling point > +65 °C. The gas filter can easily be combined with the particle filter SR 510 P3 R to also provide protection against aerosols (particles), e.g., when spray painting.

Material	Polyester, ABS, Aktivert kull
----------	-------------------------------

Min. temp.	-10°C
------------	-------

Max. temp.	+55°C
