Bandaid dispenser - Snögg Soft1

Art.no.: 1221014

The Snögg Soft1 plaster dispenser provides hygienic storage and quick access to Soft NEXT plasters. Designed for workplaces and industrial environments, it helps ensure efficient treatment of minor cuts and injuries.

The Snögg Soft1 plaster dispenser is designed for the safe and hygienic storage of Soft NEXT plasters. It provides quick and organized access to wound dressings while protecting the contents from dust, dirt and unnecessary handling.

Ideal for workplaces where minor injuries can occur, the dispenser helps improve first aid readiness and ensures plasters are always available when needed. Its practical design makes dispensing fast, easy and hygienic.

Suitable for industrial facilities, warehouses, workshops, food processing environments and general workplace first aid stations.
