

Trousers, multinorm - Wenaas Flamtech

Soft, breathable work trousers with flame-retardant characteristics. Waistband with elastication at sides ensures a good fit. Many practical pockets, including knee-pad pockets.

Seven belt loops, belt loop at front with D-ring, and waist with plastic button and elastication. Two side pockets and two back pockets, one with flap and velcro closure (right). Double tool pocket on right side with detached lower edge and small knife holder. Double, two-section left thigh pocket with flap and velcro closure. Mobile phone pocket, ID card pocket, pen pocket, and knee-pad pockets. Reflective strip around leg.

Seasons: Full year

Weight	290 g/m²
Model	Flamtech
