

Safety boots - Jalas 1828 Jupiter

ejendals

A tough, comfortable mid-cut safety boot with highest (S3) protection for the toughest outdoor conditions. A PU-coated split leather upper protects feet and is both water-repellent and anti-static. The oil and heat-resistant nitrilee outer sole has excellent grip and wide last means extra room. The JALAS® aluminium toe cap, steel puncture protection and double impact protection zones in PORON® XRD® mean safety where it's needed.
