

## Spurgear winch - Tiger BHW, corrosion protected

Spurgear winch with gold plated surface. These units meet and exceed all the requirements within NS EN 13157: 2004+A1:2009.

The Tiger Brake Winch is a high quality multi-purpose winch used for a wide variety of lifting and hoisting applications. The automatic brake ensures the load remains suspended when the crank is released and avoids unchecked descent of the load; there is no freewheeling making the hand winch extremely safe to operate. All the mechanical components are enclosed for protection against dust, dirt and rain contamination.

Sales unit: ST
