

Lever hoist – Kito LX

The KITO LX is the perfect choice for quick repair and assembly work. Its lightweight and compact design makes it indispensable for any toolbox. When not under load, the chain freewheel allows the load hook to be positioned quickly. The high-quality in-house production ensures the longevity of the product.

- Extremely compact, lightweight and mobile design
- Fine-toothed precision gearbox for low manual operating force
- Chain freewheel with high performance load pressure brake
