

# Chain hoist – Kito CX

The KITO CX aluminium hand chain block is the smallest and lightest of the KITO hand chain blocks. With lifting capacities from 250 kg up to 1000 kg, it is used wherever lifting is required with ease of handling, portability and reliability.

- Minimal overall height – extremely compact and lightweight design
- Millimetre-accurate lifting movements and low manual operating force thanks to fine-toothed precision gearing
- High safety – overload protection as standard equipment
- Overload protection as standard
