

Twistlock BF-11-45-L

Art.no.: 0380020

Durable longitudinal U-frame twistlock made from forged steel, designed for secure and efficient connection of containers. The leftoriented 45° BF1145L model is used to join two containers or to fasten containers to a deck.

The BF1145L twistlock is a heavyduty forged steel component with a hotdip galvanized finish. It is engineered for high load capacity and reliable locking performance in ISOcontainer applications. The assembly includes spring (65Mn) and ball (Gcr15) components, as shown in the technical documentation.

Weight	6.41 kg
Material	Forged steel
Surface treatment	Hot-dip galvanized
Produced in accordance with	Fabrikkstandard
Model	BF-11-45-L
HS code	73269000
COO	-
Sales unit:	PCS
Master packaging (pcs)	250
