

Twistlock BF-66-L

Art.no.: 0380075

Durable lefthand breechbase twistlock designed for secure containertocontainer connection or safe deck fastening. The BF66L offers reliable locking performance with a corrosionresistant hotdip galvanized finish.

The BF66L twistlock is engineered for joining two containers or securing containers to deck structures. Built from highstrength materials and hotdip galvanized, it ensures longlasting performance in demanding marine and industrial environments.

The compact and strong construction makes this twistlock suitable for marine cargo operations, container terminals, industrial storage systems, and other applications requiring dependable locking.

Weight	5.51 kg
Material	Forged steel
Surface treatment	Hot-dip galvanized

Produced in accordance with Fabrikstandard

Model	BF-66-L
HS code	73269000
COO	-
Sales unit:	PCS
Master packaging (pcs)	0
