Lashing web for frictape, 10 mtr

FRICTAPE

Art.no.: 0453230

Tiedown tape specifically designed to secure a Frictape helicopter deck landing net between the net and the mounting point.

This tiedown tape is designed for use with Frictape helicopter deck landing nets. The tiedown tapes are attached to the net using a lasso at 1.5 meter intervals, ensuring correct and consistent connection between the net and the mounting points on the helideck.

The tiedown tape has a total length of 10 meters and is supplied with a sewn loop at the opposite end for secure and practical installation. With a width of 35 mm, the tape is suitable for use in demanding offshore and maritime helideck environments.

Length	10 mtr
For webbing	35 mm
HS code	56075000
COO	EST
Sales unit:	PCS
Master packaging (pcs)	0
