

Bracket for life bouy

Art.no.: 0822001

Durable and lightweight aluminium lifebuoy holder with three mounting points. Designed for secure and stable installation of 30" lifebuoys in marine environments.

This lifebuoy holder is made from highquality aluminium, offering excellent corrosion resistance, low weight, and long service life. The Yshaped design with three mounting points ensures stable and secure placement of 30" lifebuoys on boats, docks, harbour areas, and other marine installations.

The bracket keeps the lifebuoy clearly visible and easy to access in emergencies. The aluminium construction requires minimal maintenance and withstands harsh weather and seawater exposure.

Material	Aluminum
HS code	89079009
COO	NOR
Master packaging (pcs)	0
