Spanner for coupling, STORZ ABC

Art.no.: 0850955

Durable and practical coupling spanner designed for STORZ ABC couplings. Made from sturdy iron for reliable performance in demanding environments

This coupling spanner is designed for easy and secure opening and closing of STORZ couplings in sizes A, B, and C. It provides a firm grip and efficient torque transfer, making coupling and uncoupling operations smooth and controlled.

Manufactured from durable iron, it withstands heavy-duty use and is ideal for fire services, industrial applications, agriculture, and water systems.

Material	Iron
HS code	82041100
COO	CHN
Sales unit:	PCS
Master packaging (pcs)	0
