

Signal, square/diamond

Art.no.: 1110081

Durable black day signal in square/diamond shape designed for clear visual signalling at sea in accordance with maritime regulations.

This square/diamondshaped day signal is used to communicate operational status and navigational conditions during daylight hours, in line with COLREG requirements. The black colour ensures high visibility and contrast, while the large dimensions make the signal easy to identify from a distance.

Manufactured from durable materials, it is suitable for installation on commercial vessels, workboats, and recreational craft needing compliant daytime signalling equipment.

Size: 120 × 55 cm

Color	Black
HS code	56090000
COO	CHN
Sales unit:	PCS
Master packaging (pcs)	0
