

Brass Flag Swivel 1"

Art.no.: 1110098

Durable brass flag swivel for 1" flagpoles, allowing free rotation and reducing flag wear.

Brass flag swivel designed for flagpoles with 1" diameter. The swivel allows the flag to rotate freely with the wind, reducing strain, tangling and wear on both the flag and halyard. The brass construction provides good corrosion resistance and long service life, making it suitable for maritime and exposed environments. Suitable for vessels, ports, commercial buildings and private flagpoles.

Length	2.5 cm
