

Non sid mat, multigrip

Art.no.: 1181010

Reliable anti-slip sling fabric that keeps items securely in place. Multigrip ensures high friction and protection in industrial and maritime environments.

Multigrip sling fabric is a durable anti-slip material made from woven polyester with PVC coating. With a weight of approx. 500 g/m² and a thickness of around 2 mm, it provides excellent grip to prevent movement of goods, equipment, and textiles.

It can be easily cut to size and is suitable for a wide range of applications including marine use, commercial kitchens, vehicles, camping, and household environments. The material protects surfaces while stabilizing items effectively.

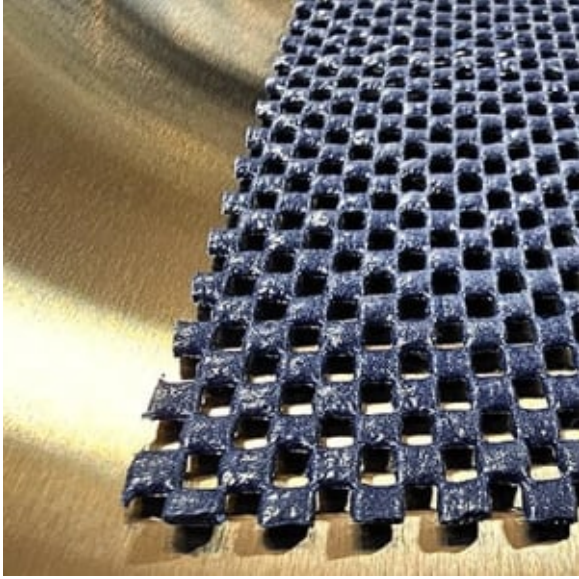

The fabric is washable and complies with European textile standards (OEKO-TEX 100), ensuring it is free from harmful substances.

Applications:

- Transport & logistics
- Marine environments
- Commercial kitchens
- Cars, campers, and caravans
- Household use
