

Chalk line set - Stanley FatMax

Art.no.: 1350070

The chalk reel kit is convenient and durable. It includes a chalk reel constructed of ABS plastic for rust resistance, 4-ounces of blue chalk and a line level. With a chalk capacity of 1-ounce, on-board hook storage, sliding door for easy filing, and folding crank handle, this tool allows for efficient marking of surfaces.

- Reel case is constructed of ABS plastic for impact resistance
- On-board hook storage
- Stainless-steel hook for rust resistance
