

Steelbrush – Tyrolit 52PDZ, PREMIUM

Art.no.: 1361230

High-precision wire brush for machining hard-to-reach areas on steel. Suitable for use on straight grinders and drilling machines.

PREMIUM wire brushes for straight grinder are the first choice for machining hard-to-reach places on steel workpieces. The product is perfect for removing rust, paint and lacquer as well as for surface preparation and finishing. Especially when cleaning the inside of pipes, these tools show their qualities. Different designs of the wire brushes equip you ideally for versatile tasks, from sensitive (DW - knotted) to coarse (DZ - knotted). The latter spreads depending on the selected speed and can thus handle a wide variety of bore diameters. In addition, the knotted DZ version shines with maximum standing time and robustness.

Product advantages

- Especially suitable for hard-to-reach places due to their shape
- Universal tool with maximum brush life
- Wire type DZ splays as a function of speed and thus can be used on different bore diameters
- Hardened and tough steel wire SZ for additional brush life and robustness

Diameter	28.0 mm
Max Speed	20000 rpm
Mounting:	6 mm
Wire diameter	0.25 mm
Brand	Tyrolit
HS code	96035000
COO	GBR
Sales unit:	PCS
Master packaging (pcs)	25
