Velcro - 3M

SJ3526 and SJ3527 are hook and loop fasteners well-suited for general indoor industrial tasks. They have high adhesive strength on both high and low energy surfaces. Dual-lock SJ3550 is suitable for use on high-energy surfaces and is ideal for demanding and durable tasks both indoors and outdoors. Dual-lock SJ354D is well-suited for mounting hardware and similar components in stationary computers, as well as for displays on stands and at trade shows.
