

Eye bolt – EXCEL ADA, UNC

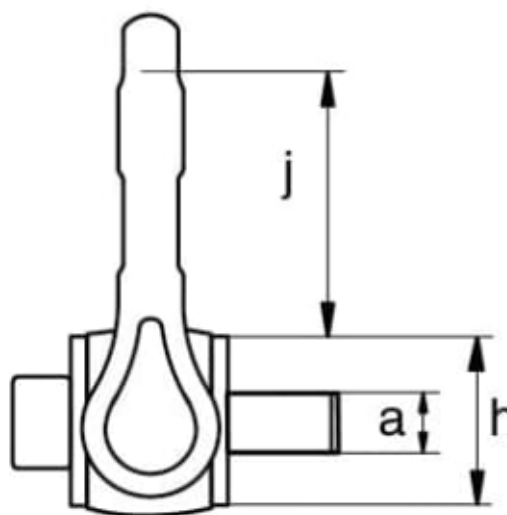

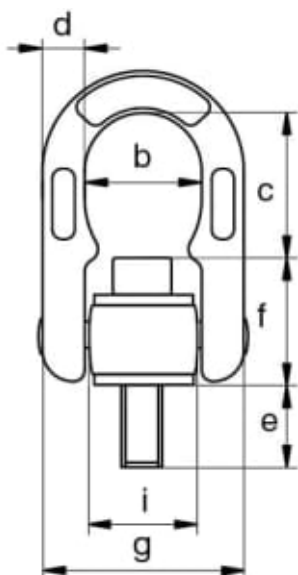

Reliable and strong hoist ring from Green Pin® with rotating design. Ideal for heavy lifting with maximum flexibility. Rotates 360° and tilts 180° for safe and efficient use.

The Green Pin® Rotating Hoist Ring UNC is a Grade 8 alloy steel hoist ring with UNC thread. It rotates 360° and pivots 180°, offering great flexibility during lifting operations. The cylindrical screw head prevents jamming during rotation. WLL and CE marking are indicated on the product.
