

# Cable tie installation tool for stainless steel ties

Art.no.: 1395185

Stainless steel cable tie gun is designed to fasten, tension and automatically cut stainless steel cable ties up to 7.9mm wide.

The process is simple, just insert the cable ties into the gun then pull the handle until the cable tie is tight and when it has reached the desired tension the cable tie will cut. Key features include:

- Adjustable bundling pressure
- TPR trigger handle for increased comfort
- Cuts cable ties with widths between 4.5 and 7.9mm, and up to 0.3mm thick
- Compatible with stainless steel cable ties including the coated range
