

Cable ties, nylon

Nylon cable ties to be used to securely hold together and organize cables or wires.

This cable ties are tested before leaving the factory by an outside testing company to ensure the highest levels of quality and strength. All these cable ties come in un-branded packages labelled with the size of the cable tie in millimetres & quantity per pack.

These cable ties can be tightened by hand or by using a tensioning tool.

Product Features:

- High tensile strength with low insertion force
- Excellent resistance to weathering, ageing and external agents
- Self-locking for fast and easy application
