

Fitting for barrels – Sika

Art.no.: 0212601

Grade 8 drum hook in RAL 3000 flame red. Marked SIKA/batch no. Designed for pairwise use in chain sling assemblies.

The SIKA drum hook is a highquality lifting fitting manufactured from grade 8 steel and marked with SIKÅ and batch number for full traceability. Supplied in RAL 3000 flame red, the hooks are clearly visible and suitable for demanding handling environments.

The hooks must always be used in pairs, and are intended for operation with chain slings at an inclination angle between 30° and 45°. When used correctly as a pair, they provide a WLL of 1 tonne.

They feature a wide temperature range from –40 °C to +400 °C (Note: WLL reduction applies from +200 °C – see operating instructions).

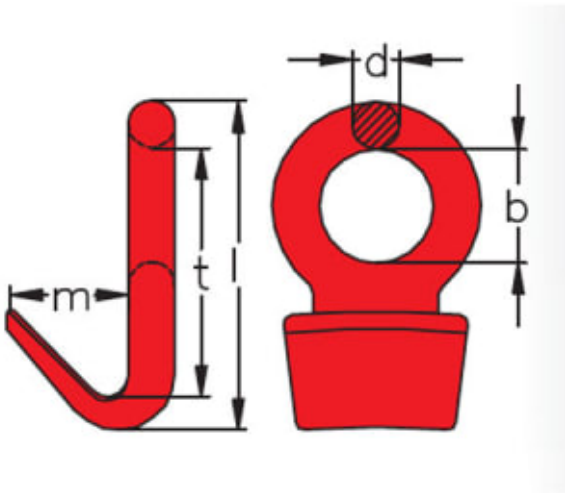

Delivered with EN 102042.2 certification and tested according to relevant standards.

Color	Red
Weight	1.4 kg
Material	Grade 8
Produced in accordance with	EN 10204-2-2
WLL	1.0 T
HS code	73159000
COO	-
Master packaging (pcs)	2

Measurements

b	40 mm
d	17 mm
l	115 mm
m	40 mm
t	86 mm
