

Hole saw, HSS Bi-Metal M42

Robust bi-metal hole saw that delivers fast and smooth cutting across a wide range of materials. Ideal for cutting stainless steel, steel sheets, cast iron, aluminum, wood, and plastic, as well as metal pipes with a wall thickness of up to 3 mm. The maximum cutting depth is 41 mm. Using lubricant extends the tool's lifespan, especially when used on metal applications.

- Cutting depth: 41 mm
- Provides smooth cutting with minimal risk of snagging or catching on uneven surfaces.
- Made of HSS M42 steel with a robust alloy body and cap.
- Matte black finish with gold-colored teeth.

Color	Black, Gold
Material	HSS M42 steel
Brand	DIESELLA
