

Kroppsssele – Singing Rock Seamaster 3D

Fully adjustable harness for rope access with a padded wide waist belt, leg loops and shoulder straps. Suitable for work positioning, fall arrest and work restraint situations. This harness is specially intended for workers at offshore oil platforms.

- Stainless steel components makes the harness ultimate choice for offshore operations
- Padded waist belt, shoulder straps and leg loops
- Wide waist belt provides maximum comfort when working at height
- Narrowed padding and webbing on the shoulder straps in a neck area enhance comfortable work
- Reflective printing on the waist belt increases the visibility in dark working conditions
- Front attachment point for fall-arrest according to EN 361
- front lower attachment point for descender placement or work positioning according to EN 813
- Side attachment points for work positioning according to EN 358
- 3 braided gear loops with a bearing capacity of 5 kg
- Heavier items up to 35 kg can be attached to the webbing on the waist belt
