

Rust inhibitor spray – LPS 3 Premium

Art.no.: 0536058

Long-lasting rust protection for metal, rubber and plastic – LPS 3 Premium offers up to two years of corrosion resistance with a self-healing waxy film.

LPS 3 Premium Rust Inhibitor is an industrial-grade solution that protects against rust and corrosion for up to two years. Safe to use on all metals, as well as rubber, plastics, fabrics and painted surfaces. It prevents exfoliation and filiform corrosion on aluminium and forms a soft, self-healing waxy film. Ideal for use on aircraft fuselages, battery terminals, cables, chains and pulleys, cargo areas, vehicle interiors, pumps and hose assemblies.
