

# Burr – Tyrolit 52KUD, PREMIUM

Art.no.: 1360858

High-performance precision tool for demanding tasks! The TYROLIT 52KUD carbide burr ensures maximum chip removal and durability. Its aggressive cutting profile and special geometry keep heat development low, protecting both the tool and the workpiece. Ideal for hard-to-reach areas.

The TYROLIT 52KUD is a premium carbide burr for straight grinders, manufactured on state-of-the-art CNC machines for ultimate precision. Dimensions: 6x12x10.8 mm. The aggressive cutting profile produces long chips and ensures maximum material removal. Special cutting geometry reduces heat build-up, extending tool life and protecting the workpiece. Fits all standard straight grinders.

**Safety:** Do not exceed maximum operating speed and follow all safety instructions.

Head diameter	12 mm
