

Inflatable lifejacket – ErgoFit 290N Rope

Access SOLAS

Art.no.: 0816243

The ErgoFit 290N Rope Access SOLAS is a SOLAS-approved lifejacket designed for demanding offshore and height work environments. Featuring ergonomic design, EXOLOK cylinder locking system, and compatibility with fall protection harnesses, it offers superior safety and comfort – even under extreme conditions.

Crewsaver's ErgoFit 290N SOLAS lifejacket is tailored for offshore wind industry personnel and technicians working at height. With 290N buoyancy and a symmetrical bladder with chin support, it ensures fast rotation and high freeboard. The Fusion 3D design provides exceptional freedom of movement, while the EXOLOK system secures the CO cylinders. Compatible with leading fall protection harnesses and PLBs, the vest includes integrated sprayhood, water-activated light, whistle, and double crotch straps for enhanced safety.
