

Inflatable lifejacket - SEACREWSADER SOLAS 275N Offshore

Art.no.: 0816246

The SEACREWSADER SOLAS 275N Offshore is a high-performance inflatable lifejacket designed for demanding offshore and industrial environments. With SOLAS approval and 275N buoyancy, it ensures maximum safety in extreme conditions

The SEACREWSADER SOLAS 275N Offshore lifejacket is built for professional use in harsh maritime settings. It features 275 Newton buoyancy and complies with SOLAS standards, making it suitable for offshore work and use with heavy protective gear. The jacket includes automatic inflation via UML Mk5 mechanism, integrated harness, and D-ring for lifeline attachment. It offers excellent comfort and visibility, with reflective tape and light for enhanced safety.
