

Inflatable lifejacket - Crewfit 150N Wipe Clean

Art.no.: 0816255

The Crewfit 150N Wipe Clean is the perfect lifejacket for demanding marine environments involving paint, oil, or grease. With a wipe-clean cover, ergonomic design, and integrated safety harness, it ensures both hygiene and safety for professional users.

The Crewfit 150N Wipe Clean inflatable lifejacket is designed for professionals working in harsh marine conditions where exposure to paint, oil, or grease is common. Its durable 500D wipe-clean cover protects the lifejacket and allows for easy maintenance. The low-profile design and short gas cylinder provide maximum freedom of movement. Equipped with an integrated stainless steel Dring safety harness, dual crotch straps, and EXOLOK cylinder security system, it ensures a secure fit and reliable performance. The 165N buoyancy bladder exceeds ISO standards and features automatic inflation via UML Auto MK 5. Additional safety features include a lifting strap, whistle, and Solas reflectors.
