Cleaner, sitrus - 3M Industrial Cleaner and Adhesive Remover

3M™ Industrial Cleaners and Adhesive Removers are ideal for helping dissolve and remove dirt, grease, tar, and many non-curing type adhesives. They clean without streaking and have proven to be excellent for surface preparation in adhesive applications. While these multipurpose cleaners are suitable for industrial use, they are also safe enough for everyday projects.

- Removes grease, oil, ink and most adhesives without the need to soak
- Removes adhesive without damaging the surface underneath
- Use for degreasing substrates before adhesive bonding
