Rechargeable Batteries - AA, 4 pcs

Art.no.: 0828116

Pre-charged AA rechargeable batteries ready to use – reliable, eco-friendly and memory-free.

This pack of rechargeable AA batteries provides a practical and eco-friendly power solution for everyday devices. The batteries come pre-charged and can be used immediately, just like standard alkaline batteries.

With a capacity of 2100 mAh, they offer stable performance and reliable runtime. The batteries are free from memory effect, allowing them to be recharged at any time without loss of capacity.

They are compatible with all standard chargers and suitable for a wide range of devices such as remote controls, toys, flashlights, cameras and other electronics.
