

Ballpoint Pen – Beifa A+

Reliable and comfortable ballpoint pen with a clear barrel and color-coded cap. The Beifa A+ features document-proof and lightfast ink according to ISO 12757-2 for consistent everyday writing.

The Beifa A+ ballpoint pen combines practical design with dependable performance. Featuring a clear barrel and colored cap with clip, it is easy to identify and carry. The 1.0 mm ball tip produces a precise 0.4 mm line width, making it suitable for office, school, and everyday use. Its document-proof and lightfast ink complies with ISO 12757-2 standards for durable writing results.
