

Ballpoint Pen – Beifa A+ EasyClicker

Comfortable and reliable ballpoint pen featuring a retractable click mechanism, soft rubber grip, and clip. The transparent barrel allows easy monitoring of ink levels, while the document-proof and lightfast ink ensures dependable writing performance.

The Beifa A+ EasyClicker ballpoint pen is designed for smooth and comfortable everyday writing. It features a convenient click mechanism, a rubber grip for enhanced comfort, and a clip for easy carrying. The clear barrel makes it simple to monitor the remaining ink supply.

Its 1.0 mm ball tip produces a precise 0.4 mm line width, making it suitable for office, school, and general writing tasks. The document-proof and lightfast ink complies with ISO 12757-2, helping ensure durable and reliable written records.
